

A screenshot of a mobile navigation application. The top left shows a menu with icons for various transport modes (walking, car, train, etc.). Below this is a list of destinations: 'Hotel & Palais Strudlhof, Pasteurgasse', 'Erwin Schrödinger Internationales Institut', and 'Reiseziel hinzufügen'. A blue bar labeled 'OPTIONEN' is below the list. The main screen displays a map with a blue walking route. A callout box indicates a 3-minute, 230m segment. The route starts at 'Hotel & Palais Strudlhof' and ends at 'Erwin Schrödinger Internationales Institut'. Various landmarks are labeled on the map, including 'U.S. Embassy in Austria', 'Katholische Kirche Pazmanisches Kollegium', 'Santa Maria della Mercede', 'Saletu Zahn-, Mund- und Kieferheilkunde', 'home4students Boltzmanngasse', 'Palais Strudlhof', 'Hotel Boltzmann', 'Zentralbibliothek für Physik', 'Schwedische Botschaft', and 'Leichtententstraße'. The map also shows 'Boltzmanngasse' and 'Pasteurgasse'.

The screenshot displays a Google Maps interface with a walking route highlighted in blue. The route starts at the 'Erwin Schrödinger Internationales Institut' and ends at 'Restaurant DAS 1090'. The left sidebar provides details about the route, including the starting point, destination, and estimated walking time of 6 minutes. The map area shows the city center of Vienna, with various landmarks and buildings visible. The route passes through the city center, including the University of Vienna and the Garden Palace of Liechtenstein.
